

Report March 2014

Week Ending March 7, 2014

This week begins our rally season, the first of 6 rallies booked for 2014. This group, "the Southern Comforts" will begin arriving March 7th and will all be departed by March 14th. At the peak, this group will total about 70 coaches. The principal inconvenience for owners will be that the upstairs of the clubhouse will be booked for rally events during the group's stay. Arrivals will be spaced out over several days, and departures will be staged in groups to minimize traffic tie-ups. Rally bookings offer several benefits to the Resort, including additional revenue and exposure leading to return visits and possibly new owners. Please help our guests feel welcome! For a complete list of 2014 Rallies check our website under the owner section.

We will be changing out the 7 lb. ice bags to 10 lb. ice bags and the price will change from \$1.50 to \$2.00

We will once again be hosting the PTR collegiate tennis tournaments at the resort beginning Monday, March 10 – 14th and matches will begin at noon. We will also host the tournament the following week at the same time except on March 20th at which play will begin at 10:00 a.m. Please come observe some fantastic tennis!
